All vendors and consultants doing business or interested in doing business with the Southern California Association of Governments (SCAG) must have an account created in SCAG's vendor and consultant database. Including all of our vendors and consultants in the database allows for more expeditious business transactions.

To ensure that there is an account for you in the system, please complete both the enclosed SCAG Vendor/Consultant Application Form (2 pages) and the Commodity Code/Consultant Profile (3 pages). **Please be sure to check all boxes of the Commodity Code/Consultant Profile that apply to your company's particular business interests or areas of expertise.** Feel free to use the "Other" option and write in your own detailed description if none of the codes fully capture the essence of your work. For commodity code definitions, please refer to the attached Description of Potential Technical Service Needs.

Please remember to indicate your Federal Tax Identification Number (TIN). If you are not incorporated and are a 1099 company, please provide your 1099 Tax Reportable Name, as well as either your TIN or Social Security Number (SSN).

When finished, please fax pages one through five to the attention of Audrey Espino at (213) 236-1825. Or, mail your completed application materials to:

Audrey Espino  
Southern California Association of Governments  
818 W. Seventh Street, 11<sup>th</sup> Floor  
Los Angeles, CA 90017-3435

Questions regarding the application materials should be directed to Sandee Scott at (213) 236-1974 or Laura Aguilar at (213) 236-1922.

Again, if you wish to be included in SCAG's vendor and consultant database, pages one through five of the application materials must be completed and returned by your company.

Sincerely,

Sam Mehta  
Manager of Contracts
